## DESCRIPTION

Zito features thin, brown reeds that add a lot of texture while creating a darker neutral backdrop. Ecologically harvested from sustainable crops.

All natural décors are produced using a hand applied technique. Layout and coverage will vary slightly from sheet to sheet due to the artisan nature of the manufacturing process. Some products use natural materials that can change color over time and will vary in size, shape, color and texture within a single sheet. Colors may vary with harvest season.

## AVAILABLE ADD-ONS

ChemShield ™

A barrier used to increase the chemical resistance of Lumiclear panels.

Reflective Finishes ™

A reflective surface that adds dimension and a sophisticated sparkle.

Illume ™

Adding Illume to the back of a panel provides a soft light diffusion.
