recessed
- Patented**

12Vdc
Micro 12

ORBIT PLUS is an adjustable LED luminaire featuring the innovative **Plug&Play system (patented)**, for easy disconnection of the power cord from the spotlight. **ORBIT PLUS** is an ideal luminaire for recessed installation in all furnishings where a beam needs to be directed. With **no-dot effect technology**, ensuring a uniform projection beam without the dot effect, it is characterized by impressive lighting performances.

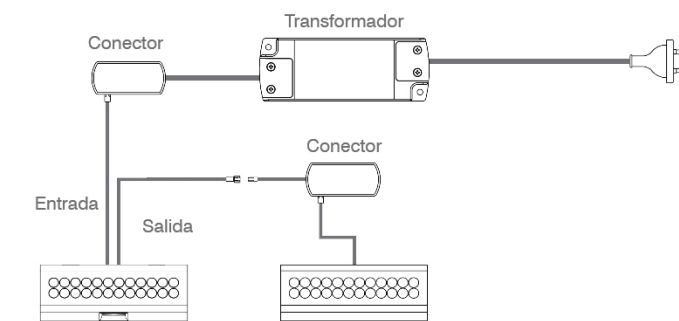

Spacers are available on request for surface installation:
