

Experience the super-soft look and feel of matte

Make your client into a trend-setter when you specify matte surfaces in their next project.

RAUVISIO noir

Double-sided matte for a true monolithic panel

Extremely durable with independent healing

Anti-fingerprint so matte black can stay clean

RAUVISIO matte

Durable and scratch resistant

Features a smooth, soft touch for comfort

Forged with the finest materials to create a monotonic matte surface, **RAUVISIO noir™** builds a refined foundation for even the most exuberant designs.

Seamless,
tactile
matte

without fingerprints

What is monotonic matte?

A monotonic matte surface has the ability to retain all of its elemental properties while delivering unwavering resilience, reliability and richly uninhibited elegance in a variety of different scenarios giving you the quality you deserve with the versatility you desire.

The deeply light-absorbent surface withstands scratches and fingerprints while providing the deepest, touchable matte.

High Low 154707	Casa Blanca 154705	Capital Starlit 154706	Maltese Mist 154704
			
Gaslit Alley 154712	Trench Coat 154711	Silver Lake 154709	Smoke Stack 154710
			
After Dark 154708	Midnight Dash 154713	Olive Detour 154715	Boxcar Blonde 154714

Our components feature double-sided monotonic matte with matching REHAU LaserEdge elegant matte edgeband. The monotonic matte HPL is laminated onto a super-refined MDF core to ensure the highest quality finish.

Slab profile**Shaker profile**

Top: Slab door and drawer
Bottom: Shaker door

Profile Specifications

Appearance	Super matte
Door style	Slab and shaker
Design style	Modern, contemporary
Construction	PVA laminated face and back, REHAU LaserEdge
Shaker stiles and rails	3 in (76.2 mm), custom widths also possible
Face material	Super-matte monotonic laminate, multiple colors
Back material	Super-matte monotonic laminate, matching colors
Edgeband	REHAU LaserEdge, matching color
Core	Super-refined MDF
Board thickness	3/4 in (19 mm)

Size Parameters

Minimum	3 x 5 in (76.2 x 127 mm)
Maximum	50 x 119 in (1270 x 3022.6 mm)
Minimum shaker size	50 x 119 in (1270 x 3022.6 mm)

Edgebanding Profile

Top edge	1.0 mm radius
Bottom edge	1.0 mm radius
Edgeband finish	Elegant matte, color matched

Accessory Products

1/4 in. thick components	Cut-to-size with raw edges
Integrated handle	1 17/64 and 5/64 in (32 and 2 mm)
Floating shelves	22 to 96 in (558.8 to 2438.4 mm) wide

**Versatile design options**

RAUVISIO noir provides a completely unique and feel with a monotonous matte surface on both front and back sides. It excels in both vertical and horizontal applications.

Board Specifications

RAUVISIO noir is laminated to a high-quality engineered MDF core that is CARB2, TSCA Title VI certified and NAF (non-added formaldehyde) exempt. The face and the back are identical, and with the consistent substrate, warpage is virtually eliminated.

Edgeband Specifications

All components are edgebanded with REHAU LaserEdge, which provides an extremely heat and moisture resistant seamless joint and creates a matte solid surface look.

Cleaning and Care

Clean with a damp microfiber cloth and with a mild soap if needed. RAUVISIO noir is resistant to most chemicals and solvent-based cleaners, but harsh chemicals should be avoided. Do not use brushes or scouring pads. REHAU is not responsible for any damage done by abrasive cleaning products or procedures.

Protective Coat

A protective peel coat is applied to the top and bottom surfaces. Do not expose peel coat to direct sunlight before removal. Remove promptly after installing cabinet but prior to mounting decorative hardware. To remove peel coat, use rubber fingertips or our peel coat removal tool.

Make a statement in your modern matte design. **RAUVISIO matte** is an outstanding super-matte PET surface for all types of commercial and residential applications.

Anti-fingerprint

Without the extra cost

Create a stunning, sleek look that adds sophistication to your space with RAUVISIO matte surfaces. This trendy design is very practical and suitable for all spaces.

RAUVISIO matte is a high-quality, soft-touch PET surface with low light reflectivity. REHAU offers the whole product range from board to edgeband to fully-finished cabinet doors.

Board Specifications

RAUVISIO matte is laminated to a high-quality, engineered MDF core that is CARB2, TSCA Title VI certified which provides a stable, consistent substrate and virtually eliminates warping.

Edgeband Specifications

All components are edgebanded with REHAU LaserEdge, which provides an extremely heat and moisture resistant seamless joint rivaling solid surfaces.

Cleaning and Care

Clean with a damp microfiber cloth and with a mild soap if needed. While the surface is scratch resistant, it should never be dry-wiped. Avoid abrasive cleaners, solvent-based cleaners and harsh chemicals. Do not use paper towels, brushes or scouring pads. REHAU is not responsible for any damage done by abrasive cleaning products or procedures.

Protective Coat

A protective peel coat is applied to the top of the matte surface. Do not expose peel coat to direct sunlight before removal. Remove promptly after installing cabinet but prior to mounting decorative hardware. To remove peel coat, use rubber fingertips or our peel coat removal tool.
