PATENTED

Scorrisospensione is a sliding system designed for cabinets with internal overlapped wooden doors and upper sliding.

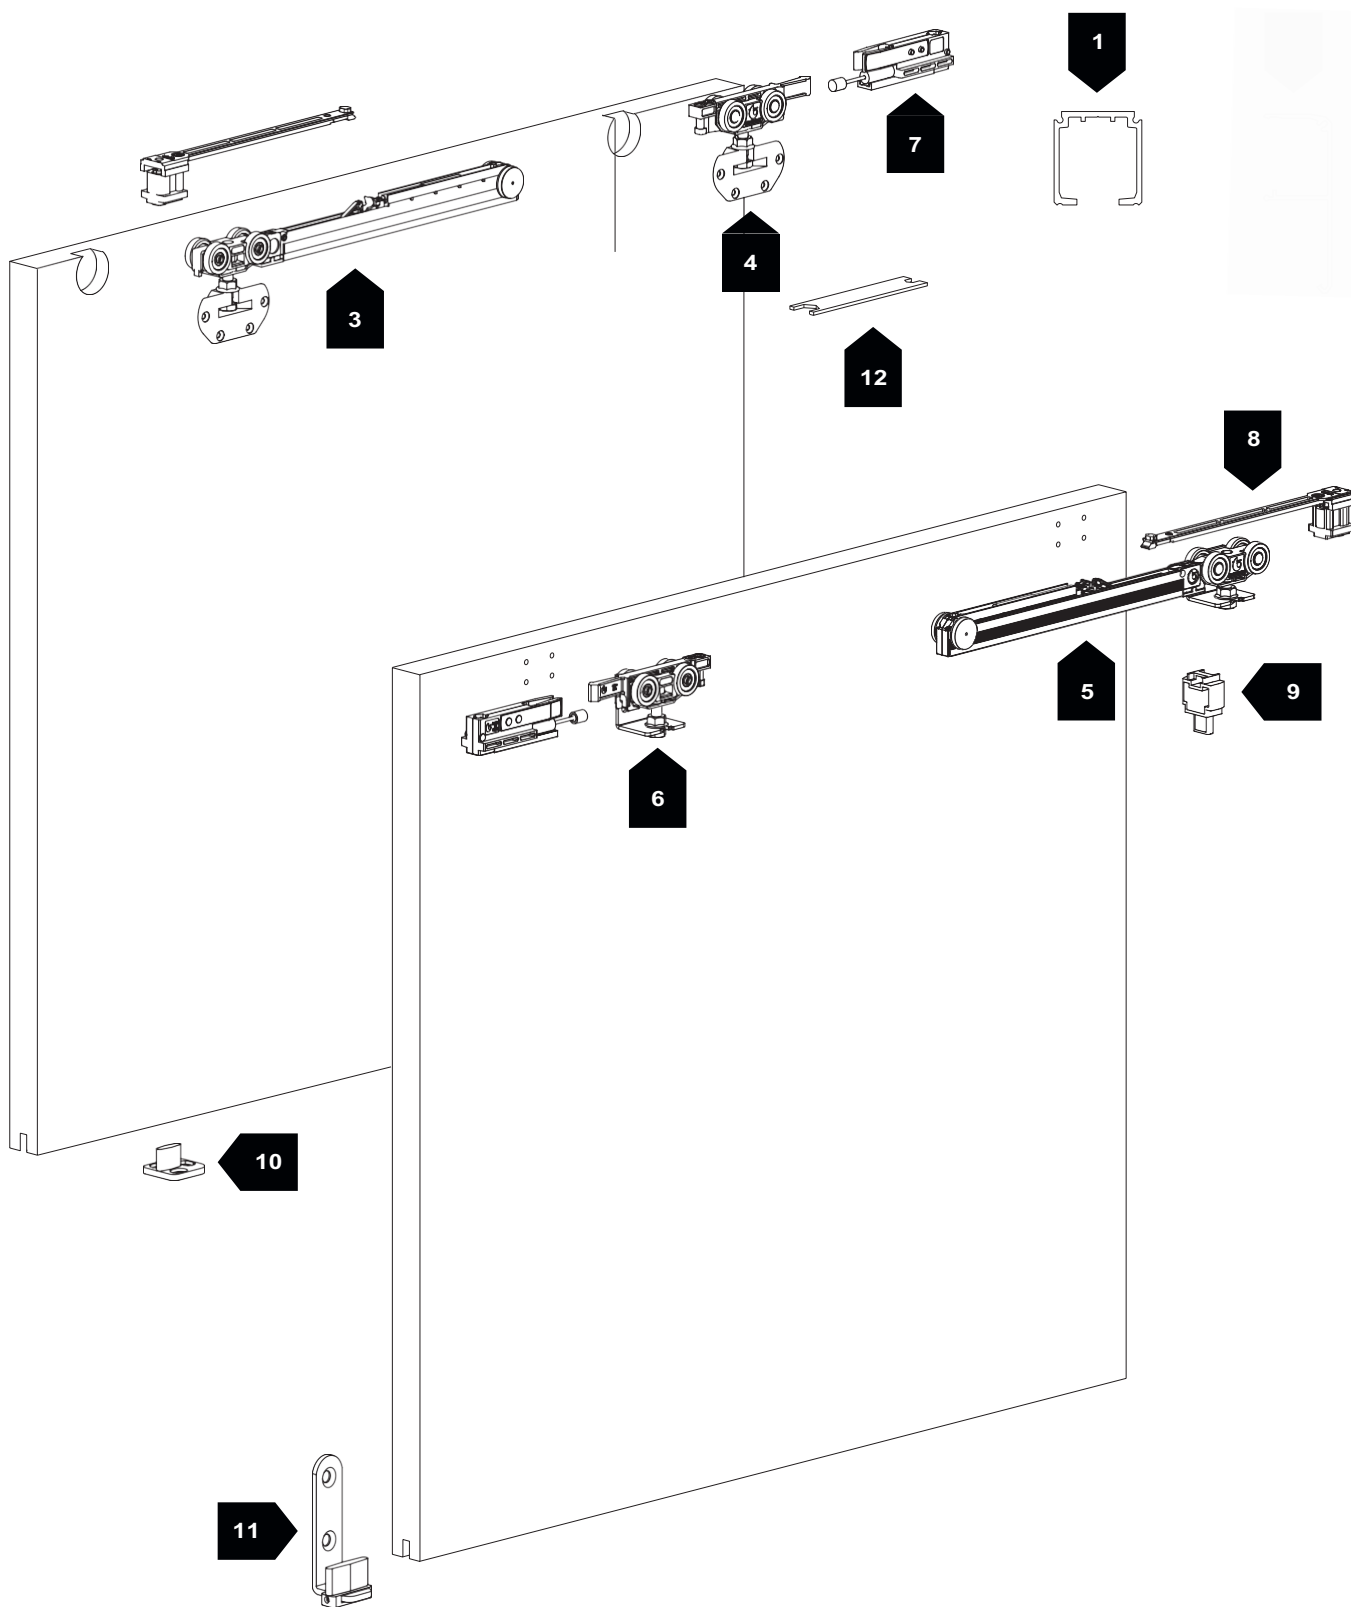

The system integrates new **Fluid** technology on soft-closing dampers, which allows a very smooth motion as on opening, as on closing side.

Scorrisospensione es un sistema de deslizamiento diseñado para armarios con puertas interiores de madera sobrepuestas y de deslizamiento superior.

El sistema integra la nueva tecnología **Fluid** de amortiguadores de cierre suave, que permite un movimiento muy suave tanto en la apertura como en el cierre.
